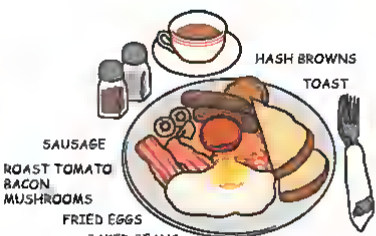
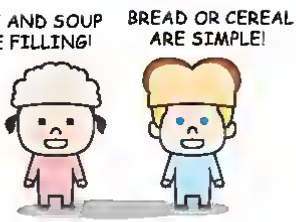
DELICIOUS CEREAL

THERE IS A TRADITIONAL MORNING MEAL CALLED "ENGLISH BREAKFAST",



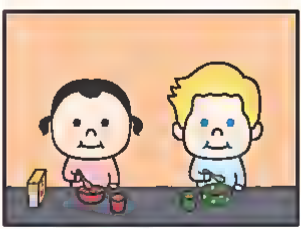
BUT UNLESS IT'S A SPECIAL OCCASION, MOST FAMILIES JUST EAT A SIMPLE MEAL OF TOASTS OR CEREAL FOR BREAKFAST



NOWADAYS, A LOT OF KOREANS ALSO EAT A WESTERN STYLE BREAKFAST INSTEAD OF A TRADITIONAL MEAL.

THERE ARE WAY MORE CEREALS TO CHOOSE FROM IN ENGLAND THAN THERE ARE IN KOREA

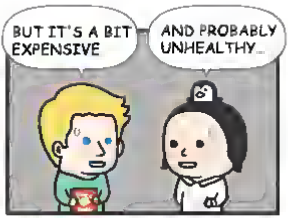
THEY HAVE EVERY KIND OF GRAIN,
IN EVERY SHAPE AND TASTE
IN THE SUPERMARKETS.



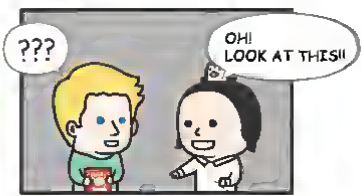
PENGUIN AND MEV ALWAYS HAVE
WHOLE WHEAT CEREAL BECAUSE
IT'S CHEAP AND HEALTHY.

BUT SOMETIMES YOU WANT TO
EAT SOMETHING TASTY
THAT'S NOT NECESSARILY HEALTHY.

ONE DAY,
WHEN THEY WERE AT THE SUPERMARKET,
THEY FOUND A REALLY TASTY-LOOKING CEREAL.

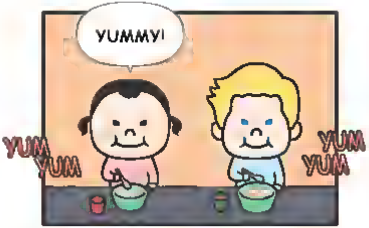


THEY COULDN'T DECIDE WHETHER TO GET IT OR NOT.

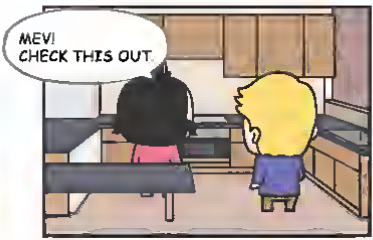


THEY FOUND A TWO FOR THE PRICE OF ONE COUPON ON THE SIDE OF THE CEREAL BOX FOR SEVERAL AMUSEMENT PARKS, THEME PARKS, AQUARIUMS AND MUSEUMS.

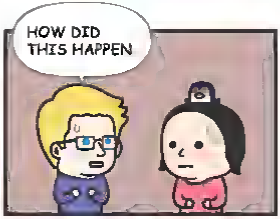
THEY FOUND A REASON TO BUY IT SO THEY PUT IT IN THEIR CART



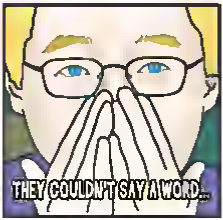
AND FOR THE NEXT FEW DAYS
THEY ENJOYED THAT NEW CEREAL.



A FEW MONTHS LATER.



HOW DID
THIS HAPPEN



THEY COULDN'T SAY A WORD...

THEY HAD COLLECTED ENOUGH COUPONS
TO TAKE NEARLY 40 PEOPLE
TO THE AMUSEMENT PARK

IT WAS SUCH A GOOD EXCUSE...

YEAH...
